FamilyKind Launches a Meetup Group. We are pleased to announce the formation of [FamilyKind's Separation and Divorce Meetup of NYC](#). Our group will meet monthly so members can share thoughts and experiences regarding separation or divorce. FamilyKind facilitates all discussions with the help of lawyers, mediators, and mental health professionals.

Our kickoff event *How Are The Kids doing? Putting Yourself In Your Children's Shoes and Helping Them Cope* was held on September on the Upper West Side. FamilyKind's Bruce Berman, psychologist and experienced child and family therapist, facilitated the discussion. Future topics include *Co-Parenting Challenges* (Tues., Oct. 15), *Managing Holiday Time with Your Co-Parent* (Wed., Nov. 20), and *Shared Parenting Schedules* (Wed., Dec. 18). Link here for more information and to join the group.
